

Do you wish that you loved your job?

well spa retreat
mind • body • soul

Well look no further. The luxurious Well Spa Retreat sits nestled within the private village of The Bluestone National Park Resort, providing guests and members of the public with impeccable customer service and exclusively ESPA based treatments. In partnership with the ESPA brand and other external training providers you can expect to enjoy high standard 'on the job' training to add to your current qualifications.

The Bluestone ethos is all about quality, quirky, free range fun. Each beauty product that we use has been carefully picked for its quality. For nail products we use Jessica in addition to our ESPA face and body treatments.

As well as working within a friendly team, as an employee of the Bluestone National Park Resort you'll receive some great staff benefits from free Blue Lagoon tickets, entry to a monthly staff lottery syndicate, staff discounts and a pension scheme among many others.

We base the way we work around our staff satisfaction within their roles as we pride ourselves on creating a rewarding workplace.

Whilst working towards her Level 1 Hair & Beauty, Chloe heard about Bluestone and applied for a Spa Assistant vacancy. Chloe has been employed by Bluestone for three-and-a-half years and has continued her training in the workplace through the training provider HB Training. She is now on track to completing her Level 3.

Chloe says ***"I have really benefitted from the hands on training in a real work environment"*** says Chloe ***"plus earning a full time wage whilst I qualify is great"***.

Chloe is looking forward to expanding the number of treatments she can carry out and continuing her progression at Bluestone.

Our therapist roles offer a very competitive wage. Typically, a full time therapist can achieve on target earnings of circa £16,500 per annum and more for a senior therapist. We are currently looking for new members of our already fabulous spa team. If you have a minimum Level 2 in Beauty Therapy or Complementary Therapies then why not pop along to our recruitment open day on Monday the 11th August between 4pm and 8pm. You'll get the opportunity to see The Well Spa Retreat luxury facilities for yourself, meet some of our current team members and find out more about the opportunities that we have available.

We look forward to welcoming you on the day...
