New Year Resolutions are to be broken – find your wild thing at Bluestone

How many New Year resolutions have you made for 2014? Well, at least you've got the first one right – coming to Bluestone for some free range fun and relaxation.

But let's be honest, how many resolutions do you stick to? Well, why not throw away that list and put together a new one full of fun-packed activities and relaxing moments with us instead?

Whether it's a family break, a romantic escape or breaking

free with friends, 2014 is all about finding your wild thing at Bluestone.

And that doesn't have to be adrenalin-pumping activities such as battling it out on the Tournament Field, hanging around on the high ropes in the Steep Ravine or powering down the flumes at the Blue Lagoon water park.

You can find your wild thing throughout the 500 acres on your doorstep here at Bluestone. Beast hunts and storytelling fun for the youngsters, winter woodland walks, or even getting covered

in chocolate or mud in the Well Spa. Or even how about trying some new tasty delights in the Carreg Las restaurant.

Young or old, we have a packed range of all-weather activities for you to try, no matter what your wild thing might be.

So get over the festive blues and find your wild thing at Bluestone on your luxury break. And if you're not sure which one to choose, why not call in at Village Central for some advice from our team? We're always here to help.
