Your principal contract is with Bluestone Resorts Limited. The contract is made up of the entire contents of the current brochure and current 'Prices and Booking Agreement Guide', the confirmation and these terms (which we sent to you following your telephone reservation or which you accepted online at the time of booking).

Our contract with you binds you (the person named on the confirmation), and all members of your party, including children. All members of your party must accept this contract which remains in effect until the last of your party has left Bluestone.

C5. Use of Bluestone breaks in promotional activity

Should you wish to use a Bluestone break in some form of promotional capacity, you must contact the Bluestone marketing department before making any booking. They will specify the special requirements that apply, and by booking you will be deemed to have accepted them. If our requirements are not met and maintained, we have the right to cancel the booking at any time.

D. Changing or cancelling your booking

D1. Changing your booking

Should you wish to make a change to your booking once it is confirmed, we will try to meet your request. Changes are possible 12 weeks or more before your holiday start date. A charge of £35 will be payable for each alteration. Each alteration is subject to availability.

No refund will be given should the new dates be less than your original dates.

You may not advertise, use, give or resell your break or any promotional discount or offer (for profit or otherwise) or use it in connection with a competition, promotion, business and charity or any other similar venture without our express advance written permission. refundable. Please note a valid receipt as proof of purchase must be provided in order for a refund to be processed.

D4. If we cancel (accommodation)

We reserve the right to cancel your booking at any time should it become impossible for us to provide the holiday you have booked, or if we have any reason to believe that you or any member of your party appear to be of a disruptive influence on the other guests. No refunds or compensation will be given in these circumstances.

If we are aware in advance that 25% or more of Bluestone facilities/amenities are not available during your stay (which shall not include any Bluestone facilities/amenities that may be closed as they may pose a risk to you, our guests or our staff (this shall include without limitation any closures which are deemed necessary due to the COVID-19 pandemic)), and that your break is negatively affected as a result, we will offer you the following options, subject to availability:

- Change your holiday start date.

- Cancel your break with a full refund (without cancellation charge).

D5. If we cancel

- Activities, spa treatments, bike & buggies and restaurant bookings) If Bluestone decides to withdraw an activity, spa treatment or the hire of a bike and buggy, we will refund the total cost of the booking. - Blue Lagoon Swimming slots. It may be necessary for Bluestone to close the waterpark due to essential requirements or unforeseen circumstances.

a) Where this is prior planned maintenance, which will impact your break, we will inform you prior to arrival, and you may be offered additional value as a gesture of goodwill. No compensation or refunds outside of the details in section D4 will apply.

b) Unforeseen circumstances (Not exhausted but relating to): Guest illness, guest damage, smoking or vaping within the building, extreme weather, natural disaster scenarios or as a result of an emergency, no compensation will be given. The Resort will do its utmost to extend hours, but this may not always be possible.

- Occasionally, it may be necessary to change or withdraw from certain activities without notice. Should we cancel an activity or close a facility for which you have already paid, we will refund all monies already paid for the relevant activity or try to reschedule the activity or provide a suitable alternative, but we will not pay any compensation as a result.
- Please be aware that the challenging physical nature of some activities may occasionally result in contact with equipment or harnesses, which might give rise to bruises, other minor bumps, or scrapes.
- As we continually improve our facilities on our Resort, you may find that new facilities are on offer; listed facilities are

temporarily closed for maintenance and/or improvement; some facilities have been altered/replaced or closed; development or refurbishment work is going on in certain areas of the Resort; different equipment is provided to that described in our brochure or other communications.

- When booking an activity, you will be given a timeslot when the activity will take place; as most are group activities, it is important that you arrive 10 minutes before the activity start time or as requested in the activity description. - Some activities require a minimum number of participants or other criteria to be met to proceed; some are supplied by subcontractors or third parties for whom we act as agents, and some take place outside the Resort. Should we be unable to conduct the activity, you will be notified before arrival and offered an alternative option or a refund. No additional compensation will be given.
- All activities are subject to availability. We operate a "first come - first served" policy, so you may not be able to book a particular activity for a specific time or at all. Please contact us, and we will do our very best to look into additional opportunities.

E. Before you arrive

E1. Wherever possible, we recommend that you pre-book desired activities to avoid disappointment.

E2. Our website www.bluestonewales.com contains all the latest information and any particular circumstances that will apply to your break. Please check the website before you leave home to ensure you are fully advised.

E3. You should inform us immediately if any member of your party has or develops a contagious medical condition during your stay, or within four weeks of your arrival date. If any member of your party does develop such a condition, we have the right to:

- Refuse to accept your booking. (Please see section D2c for "Impacted by COVID-19")
- Cancel your break.
- Ask any member of your party to refrain from taking part in certain activities.
- Ask any member of your party to leave Bluestone immediately.

You should also advise us of any other additional medical circumstances. Such information will be treated sensitively and our team will review your best options.

E4. It is a requirement of booking that you provide details of the people staying in the accommodation before you arrive. If you provide email addresses for other party members they will be able to add activities before arrival (using their own payment details) and will be able to see all activities booked by any member of the party.

E5. It is a requirement of Bluestone that you provide accurate details of the ages and number of people in your party and that the total number of people does not occupy more than the stated capacity for the accommodation. In the event that it does we may be able to offer you the option to hire a z-bed for those individuals subject to a hire cost, availability and lodge type. If we are unable to do so then we reserve the right to ask you to either amend the number of people attending so that you are within occupancy of the lodge, or to purchase an additional lodge at full price (subject to availability) to ensure all the accommodations are within occupancy limits, or to cancel your break with a loss of deposit as if you had voluntarily cancelled your break in clause D2.

F. Arrival

F1. You may arrive from 11:00am on your arrival date and may use our facilities from that time.

F2. Your accommodation will be available from 4:30pm unless you have purchased an Early Check-In upgrade, or you are staying in a St Govan's or a Studio Apartment. Your check-in time will be shown in your account details.

F3. You may take your vehicle to your accommodation to unload it, but it must be returned to the long-stay car park immediately afterwards. In the interests of health and safety and general customer welfare we actively enforce this requirement.

G. During your stay

G1. To help ensure your party and all our other guests get the most from their stay at Bluestone, you are required to comply with all guidance supplied to you by us or our staff. Failure to comply with any guidance made available to you may require you and/or any member of your party to leave the resort immediately. No refunds or compensation will be given in these circumstances.

G2. Acceptable conduct

Bluestone insists upon reasonable standards of behaviour by all our guests. Excessively noisy or disruptive behaviour, or behaviour which has a negative effect on the well-being and enjoyment of other guests is unacceptable.

We will not tolerate offensive or illegal behaviour or aggression to Bluestone staff or guests. In such circumstances we may involve the police, and/or require you and/or any member of your party to leave the site immediately. No refunds or compensation will be given in these circumstances and we reserve the right to refuse any future bookings from you or any member of your party. Breakages and damages to the lodge require immediate payment which will be charged to the card that payment was made with.

G3. Responsibility for children

There must be at least one capable and responsible adult over the age of 18 in every accommodation unit, who

is responsible for the supervision of all members or your party under the age of 18.

Children remain the responsibility of their parents or guardians at all times. It is important that parents always know where their children are, and the times activities start and finish. Please note that children's activities are unsupervised unless otherwise stated.

G4. People at Risk

A copy of our People at Risk policy statement is available on request. It is our policy to assist any proper enquiries, or to investigate any incident or allegation of concern about a person in our care or staying at Bluestone. If we consider it necessary, we will refer the matter to an appropriate outside authority.

G5. Facilities and activities

- All 'Plan Your Stay' guides will be sent via email before your arrival detailing the facilities and activities which may be purchased separately. These may be booked before your break or following your arrival at Bluestone. All facilities and activities are subject to availability. We advise to pre-book before arrival.
- Outdoor activities are subject to appropriate weather and may be withdrawn, subject to notice. If we have to cancel an activity and you have already paid for it, we will offer you a full refund of the activity price that you paid. No other compensation will be payable.
- Compensation will not be paid where facilities/activities are unavailable or fully booked except in circumstances specified in section D5.
- You must comply with any conditions applying to Bluestone facilities and activities we inform you of at any time. It is your responsibility to ensure that any activity or facility selected by any member of your party is suitable for those who are taking part. Unless we have agreed to supervise, responsibility for supervision of children under the age of 8 taking part in activities or using facilities falls to you.
- We will not accept activity bookings from children under the age of 12. Children over the age of 12 will be deemed to have consent from you and their parent/guardian to book and participate in the activity concerned. It will also be deemed that the activity is suitable for them.
- The Blue Lagoon supervision policy is as follows: Adults aged 18 or over can supervise two children between the ages of 4 and 7, or one child under the age of 4, in the water and facility at all times. Children aged 4-7 years will also be issued with a red wristband, which must be worn throughout their swim. This wristband assists our team in identifying supervision requirements and reduces the need to ask parents or guardians about their child's age. Please note that towels cannot be hired from the Blue Lagoon; however, towels may be purchased at a cost of £4 each.
- In order to hire a buggy, the hirer must hold a valid full UK driving licence, which must be presented when collecting the buggy. Any additional drivers must also hold a valid full UK driving licence and must present it at the same time. If the hirer allows any person without a valid licence to drive the buggy, we reserve the right to terminate the hire immediately without compensation.

Your personal belongings remain your responsibility at all times. Please lock your vehicle securely and remove all valuable items from view.

G7. Food and drink

Food and drink described in menus and other communications are provided subject to availability.

G8. Please roll, jump, play and walk on our grass

G9. Accommodation

You must leave your accommodation in a clean and tidy condition. We reserve the right to charge you

for any extra cleaning, missing items or damage. We reserve the right to enter your accommodation at any time for any reasonable purpose. You must not exceed the maximum number of guests in each accommodation unit (as stated on our website). If it does exceed the maximum number of guests, we may move those additional persons to another unit and charge them or you full price.

G10. Recycling

Please help us fulfil our commitment to environmental responsibility by following the arrangements for waste segregation explained in the information pack in your accommodation.

G11. Litter and refuse bags when you leave

Please dispose of your litter in the appropriate receptacles and do not leave bins outside accommodations.

G12. Maintenance

In line with our policy of continuous improvement, you may find that some facilities and/or accommodation units are closed for maintenance, replacement or improvement. Maintenance or housekeeping work may also be undertaken in and around your accommodation during your stay, but we will endeavour to keep any disturbance to a minimum.

G13. Use of vehicles within the Bluestone site

With the exception of unloading/loading at your accommodation on arrival and departure, guest vehicles may not be used within Bluestone. Once unloading/loading of your vehicle has been completed, it must be returned to the long stay car park immediately.

Please drive carefully. Give way to pedestrians, buggies and cyclists at all times. Keep to the left and within the speed limit.

In the interests of safety, all vehicles that are not parked in specified parking areas may be towed away and a

charge levied to you for doing so. We do not accept any liability for damage caused under these circumstances unless it is demonstrably due to our negligence.

Vehicular access is required for emergency services, Bluestone and other authorised suppliers or contractors.

If your vehicle is the only suitable means of getting around, an access permit may be provided to you upon production of a valid Blue Badge or in exceptional circumstances. The Bluestone special access parking permit must be displayed at all times and only vehicles displaying the permit may be parked in the designated parking bays.

G14. Licensed premises

Proof of age may be asked for when buying alcohol on the site. We shall not serve or sell alcohol to anyone who appears to be under the age of 21 (and cannot prove they are over 18), or whom we consider to have been drinking excessively. G16. Dogs

Dogs are not allowed on site (except assistance dogs). There are kennels operating locally and we can provide a list upon request, but inclusion upon the list does not mean or imply that Bluestone endorses that facility. We accept no liability for anything that happens to your dog while it is in the care of the third party.

G17. Wildlife

Please note and remember that the Bluestone site is the natural habitat of a variety of wildlife. You should note any information and guidance provided in any of our information booklets or notices.

G18. Dangerous items

G20. Additional charges

By booking you agree that we have the right to recover from you the costs of any damage to Bluestone property resulting from any breach of this contract you commit, as well as charge for late checkout, and if the housekeeping agreement has not been adhered to.

We also reserve the right to charge the value of any compensation and/or costs or fees we may pay to others which we have incurred as a result from you or any member of your parties action or inaction or breach of this contract.

We will charge the card on file of the lead booker and issue an invoice. If the card is declined we will contact the lead booker for an alternative payment method.

If we are unable to collect payment within 30 days we reserve the right to issue court proceedings.

G21. Drones

Drones may not be used at Bluestone unless written authorisation has been granted in advance of arrival. Such authorisation, if granted, will specify conditions and limitations which have to be followed in order for permission to remain valid.

G22. Barbecues

You are welcome to bring your own barbecue for your stay, or disposable barbecues may be purchased from our retail outlets. Please exercise extreme caution if you are using a barbecue on Bluestone premises. Only lumpwood charcoal barbecues are permitted, and these must be raised on legs or be of the 'Hibachi' type. Gas barbecues are not permitted. Barbecues

must be placed on the stone patio area of the lodge, a minimum distance of 2m from the lodge building. Disposable barbecues must be placed directly on hard ground and not on grass or wooden furniture. Only proprietary lighting products may be used. Please ensure that the barbecue is attended at all times, and take particular care when children are about.

Embers should be extinguished and allowed to go completely cold before disposal. Do not put hot embers into the bins. Barbecues are not permitted if you are staying in a studio apartment, a village cottage, or in a Platinum lodge in Merlin's Crest.
