If booking more than 12 weeks ahead, an immediate, non-refundable deposit payment of 35% of the total cost of your break is required to secure your booking. This payment covers the cost of processing your reservation. You may pay the full cost of your break at the time of booking or at any time before 12 weeks before the start of your break via your online account or by telephoning us on 01834 862 400 to make the final payment. If you do not make payment before the 12 week deadline the balance will automatically be taken from the card you used to make your deposit. You acknowledge that in providing us with your card details for the deposit you are also giving us permission to take final payment from your card if payment has not been made by the deadline as per the schedule. Please ensure that sufficient funds are available on your card at the 12 week deadline to make payment. If you wish for the balance to be taken from a different card you must contact us before the due date to make these changes. You may make additional one off payments via your online account and occasionally we may offer you the facility to setup regular payments. If you set up regular payments you authorise us to take payments from your specified card as per the schedule. In all cases the full balance must be paid by the 12 week deadline. Alternatively, you may call us on 01834 862 400 to make the final payment.

If booking less than 12 weeks ahead, full payment is required at the time of making your reservation. This may be made online or by telephone.

A2. Payment

We accept payment by credit/charge or debit card only. Credit/charge and debit cards will normally be authorised and charged to your account within one working day of the payment.

A3. Confirmation

The price for your break and any additional charges, along with details of payments made and due will be confirmed to you by e-mail within 1 hour of your booking. Please make sure your email address is correct at the time of booking.

Please check the details on your confirmation carefully. If any of the details are inaccurate or no longer apply, please inform our reservations team immediately. Failure to meet the payment schedule detailed in your confirmation will result in the cancellation of your reservation, and the forfeiture of your deposit. No payment reminders are sent

A4. The Contract

When we receive the required payment and you have received a confirmation, a contract is formed. This will be deemed to be 24 hours when sent electronically. If you have not received your confirmation within these timescales please contact us immediately. Please be aware that if a error causes the price to be substantially incorrect, we reserve the right to refund the payment and cancel the reservation.

Your principal contract is with Bluestone Resorts Limited. The contract is made up of the entire contents of the current brochure and current 'Prices and Booking Agreement Guide', the confirmation and these terms (which we sent to you following your telephone reservation or which you accepted online at the time of booking).

Our contract with you binds you (the

person named on the confirmation), and all members of your party, including children. All members of your party must accept this contract, which remains in effect until the last of your party has left Bluestone.

You may only change your holiday start date once. Please note that you will also incur additional charges if the cost of your holiday rises. No refund will be given should the new dates be less than your original dates.

We reserve the right to cancel your booking at any time should it become impossible for us to provide the holiday you have booked or if we have any reason to believe that you or any member of your party are or appear to be of a disruptive influence on the other guests or if a technical error has occurred in processing your booking.

Where we cancel your holiday before you arrive we will refund any payment made to us but we will not pay any compensation. Where we cancel your booking after arrival you will receive no refund or compensation.

We have the right to cancel your booking, or to instruct you or your party to leave Bluestone immediately, without compensation or refund, should you or any of your party breach the terms of this contract.

We have the right to close any Bluestone facilities/amenities at our absolute discretion either temporarily or for the duration of your stay where we are of the reasonable opinion that to keep such Bluestone facilities/amenities open may pose a risk to you, our guests or our staff (this shall include without limitation any closures which are deemed necessary due to the COVID-19 pandemic). No refunds or compensation will be given in these circumstances.

If we are aware in advance that 25% or more of Bluestone facilities/amenities are not available during your stay (which shall not include any Bluestone facilities/amenities that may be closed as they may pose a risk to you, our guests or our staff (include without limitation any closures which are deemed necessary due to the COVID-19 pandemic)), and that your

If we are unable to do so then we reserve the right to ask you to either amend the number of people attending so that you are within occupancy of the lodge, or to purchase an additional lodge at full price (subject to availability) to ensure all the accommodations are within occupancy limits, or to cancel your break with a loss of deposit as if you had voluntarily cancelled your break in clause D2.

No refunds or compensation will be given in these circumstances and we reserve the right to refuse any future bookings from you or any member of your party. Breakages and damages to the lodge require immediate payment which will be charged to the card that payment was made with.

G3. Responsibility for children

There must be at least one capable and responsible adult over the age of 18 in every accommodation unit, who is responsible for the supervision of all members or your party under the age of 18.

- Compensation will not be paid where facilities/activities are unavailable or fully booked except in circumstances specified at D5.
- You must comply with any conditions applying to Bluestone facilities and activities we inform you of at any time. It is your responsibility to ensure that any activity or facility selected by any member of your party is suitable for those who are taking part. Unless we have agreed to supervise, responsibility for supervision of children under 8 taking part in activities or using facilities falls to you.
- We will not accept activity bookings from children under 12. Children over 12 will be deemed to have consent from you and their parent/guardian to book and participate in the activity concerned. It will also be deemed that the activity is suitable for them.
